ONLINE TRAINING INTERNET MARKETING

Looking for Faster and Budget Friendly Ways to Generate More Leads, Customers and Profit?

The Internet Marketing Training will show you exactly how to reach your target audience and how to use your website as a marketing vehicle to boost your sales.

This online training series will put powerful, simple tools in your hands to generate more leads and increase conversion right away. Studying with a professional Internet marketing consultant, you'll learn how to develop an effective online marketing plan that is guaranteed to get the best results for your specific business.

Session 1: How to make Money Online

This 3-hour-session is packed with secretly kept concepts to make money online. We will take you through each concept and show you real life examples of the results that we and our customers are getting every day. You will also get outstanding traffic generation strategies explained step by step ready for you to put to use. You will also learn how to make money using social media websites such as Facebook, Youtube and Twitter plus you will find out how to get instant results and keep track of your R.O.I 24/7!

Session 2: Secrets of Online Traffic Generation

This 3-hour training session reveals the best kept secrets of generating online traffic. We use over 100 ways to generate 1,000s of targeted visitors to our websites every day and our goal is to share all of them with you! So buckle up for this rollercoaster, easy, step-by-step outlined, fully-packed-with-mind-blowing-content training. We will give you an overview of all traffic generating strategies and then go into detail of each one of them. Mastering just one strategy will get you all the traffic you need. Imagine mastering 2 or 3. Or 28!

Session 3: The Conversion Master Class

Having lots of targeted traffic is nice but the key is in converting them into leads and sales. I am sure you agree with me on that one. This 3-hour-session is dedicated to increasing your conversion rate. This means that for every X amount of visitors, you will have a bigger percentage subscribing or buying than you do now. Result: more sales and leads with the same amount of traffic!

Why e-Learning?

Dharma Consult's e-learning brings you the latest information on a wide variety of subjects right to your home or office computer. Our high-quality online training sessions are an affordable, time-saving and fun alternative to traditional classroom training and allow you to study at the pace and place of your choice.

After you register for the training subject of your choice, you will receive an e-mail with your personal login and password. Simply follow the link and log in to start your training. You have unlimited access to the training sessions, allowing you to watch them as many times as you like.

You can pause and continue your training at any time. During and after the sessions you have the opportunity to ask questions which will be answered by our experts. All this makes your learning experience equally effective as an instructor-led class, at a fraction of the cost and from the comfort of your own home or office!
